Profile

Graphic designer and video editor with projects for Church Cieli Aperti in Perugia, Italy. I create videos, Reels and graphics for social media and events. I'm seeking collaborations with churches, associations and small businesses.

Project experience

Church Cieli Aperti / Perugia

2026 / Weekly collaboration

Video and Reel editing. Weekly video editing using footage from two camera angles and audio supplied by the church; creation of Reels and their covers.

Social media content. Design and layout of posts, stories and carousels, with coordinated photos, titles and messages.

Event communication. Graphics for Rosh Hashanà, Yom Kippur and Sukkot, adapted for 4:5 posts, 9:16 stories, landscape announcements and projection screens.

Visual consistency and delivery. Application of the project's logo, colour palette and typography; preparation of exports and editable graphic assets.

Applied skills

Video editing with two camera angles · Reel creation · Layout and text hierarchy · Photo compositing · Format adaptation · Visual identity application

Work available in my portfolio
